Our office is an old historic 1880 house at 5 George Street in Markham and our parking lot is in the rear of the property accessible off of Franklin Street. It is a little tricky the first time, but do it once and you're a pro from then on.

To get to my office, take the DVP/404 North to Hwy 407.

Take 407 East to the Markham Road exit.

Turn left or North at that exit and travel North about 1 mile on Markham Road (Markham Road is also Markham Main Street) - **Note: often speed traps here so be careful (not a good way to start a meeting.)**

Traveling North on Markham Road/Main Street you will pass the Hwy 7 intersection (keep going North) and continue through a set of lights (at Centre Street) until you reach a *second* set of lights at Robinson Street (there is a Scotiabank branch on this corner).

Turn right (East) onto Robinson Street and our office will immediately be directly in front of you.

Robinson forks off; however, and you must continue to the right until you come to a stop sign. Go through the stop sign onto Joseph Street and make your first left (North) onto Franklin Street.

Parking to our office is accessible off of Franklin Street. You enter the lot between two large brick pillars.
